Albi,

WPD will have to give the solids crew the green light to remove items once deemed trash. Armando's team will handle that tomorrow as part of the CARE operation. Albi please let LAPD Homeless detail team know to be available tomorrow at about 9:30 am

Much Appreciated,

Renée

I can add this alley behind the church to your CARE team for tomorrow but please note, we are not within the 24hr time frame needed to change a location so it may be Wednesday before they service the sidewalk/alley. Jose is on the email chain so that he can see and determine what will be removed in order to make this urgent request happen.

Much Appreciated,

Hey team,

There was a fire on the 98th and western. It's really bad and the church is really concerned. Can you guys help us collect the remainder of the trash ASAP?

See picture of debris left behind after encampment fire at 9800 A Western (Church of the Living God)

Can we schedule a clean up of this ASAP? Then it would be good to send CARE team this week, on Wednesday.
